

BIBLE READING PLAN

STRUCTURE

This plan takes you through the entire bible. The scriptures are divided up into sixteen "parts" and organized in semi-chronological order. You'll read two or three chapters a day, and sometimes skim through larger portions that contain genealogies, census information, etc.

This plan is designed to encourage reading the word daily but there are no days or months on the plan so if you miss a few days, just pick up where you left off.

PSALMS OF PRAYER

One Psalm is listed each day for you to slowly pray through, making its words your own. By the end you'll have prayed through the book of Psalms 2.5 times.

VIDEOS

Each day you come to a new biblical book there will be a short animated video on The Bible Project website about that book's design and message and what to look for as you read.

In addition to videos regarding books of the Bible, you will find theme videos relating to several topics that appear throughout Scripture.
